## TO: THE SHAREHOLDERS OF THAI AIRWAYS INTERNATIONAL PUBLIC COMPANY LIMITED

The Office of the Auditor General of Thailand has reviewed the accompanying consolidated and separate statements of financial position as at June 30, 2018, the consolidated and separate statements of profit or loss and other comprehensive income for the three-month and six - month periods ended June 30, 2018, the consolidated and separate statements of changes in equity and the consolidated and separate statements of cash flows for the six-month period then ended, and condensed notes to interim financial statements of Thai Airways International Public Company Limited and its subsidiaries and of Thai Airways International Public Company Limited, respectively. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34, "Interim Financial Reporting". The responsibility of the Office of the Auditor General of Thailand is to express a conclusion on this interim financial information based on the review.

# Scope of the Review

The Office of the Auditor General of Thailand conducted the review in accordance with Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable the Office of the Auditor General of Thailand to obtain assurance that the Office of the Auditor General of Thailand would become aware of all significant matters that might be identified in an audit. Accordingly, the Office of the Auditor General of Thailand does not express an audit opinion.

# Conclusion

Based on the review, nothing has come to the attention that causes the Office of the Auditor General of Thailand to believe that the interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34, "Interim Financial Reporting".

# **Emphasis of Matters**

The Office of the Auditor General of Thailand draws attention to the condensed notes to interim financial statements No.5 regarding the Business Transformation Plans, which describes strategy for transformation plans for the year 2018 of Thai Airways International Public Company Limited and the condensed notes to interim financial statements No.6.11 regarding Liquidity Management, which describes fund and cash flow management for the six-month period ended June 30, 2018. The Office of the Auditor General of Thailand's conclusion is not qualified in respect of this matter.
