REVIEWED REPORT OF AUDITOR

TO: THE SHAREHOLDERS OF THAI AIRWAYS INTERNATIONAL PUBLIC COMPANY LIMITED

The Office of the Auditor General has reviewed the accompanying consolidated and the Company balance sheets as at December 31, 2003, the related consolidated and the Company statements of income, changes in shareholders' equity and cash flows for the three-month periods ended December 31, 2003 and 2002, of Thai Airways International Public Company Limited and its subsidiaries. These financial statements are the responsibility of the Companies' management as to their correctness and completeness of the presentation. The responsibility of the Office of the Auditor General is to express an opinion on these financial statements based on its reviews.

The Office of the Auditor General conducted the review in accordance with the auditing accounting standards. Those standards require that the Office of the Auditor General plans and performs the review to obtain reasonable assurance about whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the company personnel and analytical comparison of financial data and thus provides less assurance than an audit according to Generally Accepted Accounting Standards. Therefore, the Office of the Auditor General does not express an opinion to these reviewed financial statements.

Based on this review, nothing has come to the Office of the Auditor General's attention that causes its to believe that these accompanying consolidated and the Company balance sheets are not presented fairly, in all material respects, in accordance with the Generally Accepted Accounting Principles.

The Office of the Auditor General had audited the financial statements for the year ended September 30, 2003 of Thai Airways International Public Company Limited and its subsidiaries in conformity with the Generally Accepted Accounting Standards and expressed an unqualified opinion according to the report dated November 10, 2003. The consolidated and the Company balance sheets as at September 30, 2003, presented here to compare, are one part of the financial statements which were audited and reported by the Office of the Auditor General without applying other auditing methods after the date in those reports.
