The Stock Exchange of Thailand

Thai Airways International Public Company Limited (THAI) would like to announce that the European Union's Aviation Safety Committee (ASC) meeting on 25 November 2015 to review the Air Safety List, did not place carriers from Thailand to the list. In the European Commission press release dated 10 December 2015, "...No air carriers from Thailand were added to the Air Safety List at this time...." (ref. http://europa.eu/rapid/press-release_IP-15-6284_en.htm)

As such, THAI will continue to operate regularly-scheduled flights to Europe, which includes these 11 cities in 9 countries: London, Copenhagen, Frankfurt, Brussels, Munich, Oslo, Paris, Stockholm, Zurich, Milan, and Rome. Flight information can be found at www.thaiairways.com. THAI continues to operate under high safety standards of the European Aviation Safety Agency (EASA).

THAI is prepared to support and cooperate with the Civil Aviation Administration of Thailand (CAAT) in the recertification of air carriers, and supporting other Thai carriers to raise safety standards in making Thailand's aviation industry robust.

This matter is being reported for your information.

Yours sincerely,
