Re: News Clarification
To: President
The Stock Exchange of Thailand

In regards to the news release by Krungthep Thurakij dated 21 January 2013 regarding THAI's 2012 financial performance, THAI neither confirms the source nor the figures released in the news as the financial statements for 2012 are currently being audited by the Auditor General. The financial statements will be disclosed to the SET upon the financial statements being audited.

Submitted for your information.
